Adjustments to ACTA's Filing Fees

March 14, 2007

Effective May 1st, 2008 the Administrative Council for Terminal Attachment (ACTA) will adjust its fee for processing Telephone Terminal Equipment (TTE) information submitted for inclusion in the centralized database of Part 68 equipment to **\$425.00 per submission**. The adjusted fee applies to submission of Original, Modifications, Notice of Change, Re-certification/re-declarations, and Request for Responsible Party Codes.

Additionally, the fee for processing, posting, and maintaining a Responsible Party's Supplier's Declaration of Conformity (SDoC) on the ACTA website will be adjusted to be \$425.00 (per submission) to parties issuing notice to post its SDoC.

As a result of the above adjustments, the *[Guidelines and Procedures for submittal of information for inclusion in the ACTA database of approved Telephone Terminal Equipment \("TTE"\), Revision 3.0, December 2006](#)* will be revised to reflect this change.

Telephone Terminal Equipment (TTE) approved for connection to the PSTN must comply with all applicable rules and regulations of FCC Part 68, and with the applicable technical criteria adopted by ACTA.

Parties responsible for TTE, whether they obtain their approval from a Telecommunications Certification Body (TCB) or utilize the Supplier's Declaration of Conformity (SDoC) process, must submit to the ACTA database administrator all information required by ACTA for inclusion in the centralized database of approved Part 68 products.

Compliance with Part 68 and ACTA Adopted Technical Criteria is mandatory for terminal equipment (TE) connected to the Public Switched Telephone Network (PSTN) or wireline facilities owned by wireline telecommunications providers and used to provide wireline subscriber services. Penalties for failure to comply with the requirement fall under US federal jurisdiction. Penalties can be found in 47 U.S.C. Section 503.

Questions and comments about this notice should be submitted to the ACTA Secretariat via E-mail at acta@atis.org, or by phone at +1.202.628.6380.
